

## Type to Learn 4 Download

(Bedminster School has a software license for students to use the program at home and school.)

For use in school and at home. It will record progress at home and save it.

Bedminster School students are able to use Type to Learn 4 in school and at home, as long as your computer is connected to the Internet.

### Windows Computers (must be used with an Internet connection)

You can download it from the DVD your child gives to you, from Mr. Puglia's website (Bedminsterschool.org, Teacher Pages, Puglia), or directly from the Type to Learn 4 website. Please install the full web version.

If you download it from the computer, it is an extremely large file and will take one hour or more depending upon your Internet connection speed.

To install the DVD:

Put the DVD in the DVD drive of your computer.  
Click Start and find My Computer  
Locate the DVD drive (usually d:)  
Double click on the Type to Learn 4 install and follow the instructions.  
Restart your computer when complete.

.....

### Apple Computers (must be used with an Internet connection)

Download from Mr. Puglia's website (Bedminsterschool.org, Teacher Pages, Puglia) or from the Type to Learn 4 download page and the full-web version.

If you download it from the computer, it is an extremely large file and will take one hour or more depending upon your Internet connection speed

Please install the full client website version.  
Download the Apple installer.  
When it is finished downloading, please open up the download and follow the instructions for installing it.  
Restart your computer when complete.

**Recommended practice time: 20 to 30 minutes 3-7 days per week.**

**Please return the DVD when finished installing.**

The log in is the same for home and school use.

User Id: lastnamefirstinitial For example: John Davis would be davisj

Password: pass

Account Code: 100125 (This needs to be done only 1 time.)

Please return the portion under here.
