

## 2010 Bedminster School After School Club Information

Friday, December 11, 2009

Dear Parent/Guardian,

Your child/children in grades K-8 will have the opportunity to participate in clubs that will cycle during the second semester. The clubs that are available for participation include: arts-crafts, computer club, cooking club, environmental club, science club, and story time. Each of the clubs are for a specific grade levels. Some require a fee payable to Bedminster School. Please note that space is limited for some clubs. Participation will be on a first returned-first admitted basis. Descriptions of the clubs and meeting dates are on the following pages.

*If your child would like to participate in any of the clubs that are available, please return the permission form(s) by Tuesday, December 22, 2008 to the appropriate club instructor. Each club requires a separate permission form. If you sign up for more than one club, please check the dates to make sure your child can attend. Some clubs have dates that overlap with others.*

Bedminster School provides a late bus for students who attend after school activities. It provides transportation for **both** high school students and elementary students. If you are considering the late bus as a possibility of transportation home for your child, an approximate schedule/stop location is included in this packet. Please indicate where your child's stop will be. Please note that the late bus stop may not be the same as your child's regular bus stop. Therefore, please make sure you tell your child where he/she will get off the late bus.

Thank you,

Christine Landwehrle  
Supervisor of Instruction
