

# Summer Reading Grade 5

This summer, I would like you to spend time enjoying reading. Choose books that interest you. Do you like magic? Try a fantasy book like Harry Potter. Are you the type who likes to put clues together to figure out a solution? Consider a mystery such as Three Times Lucky. The sky is the limit!

- Select three books to read.
- Have your books approved by your fourth grade teacher or Miss Mancini (feel free to email her during the summer: [nmancini@bedminsterschool.org](mailto:nmancini@bedminsterschool.org)).
- Enjoy your books! ☺
- Be ready to create a poster advertising one of your books. We will do this during the first week of school.
- It is a good idea to jot down a few notes about the characters, settings, problem, and solution on a sheet of paper. If you read a non-fiction book, write down a few facts that you have learned. You'll need this information when we create our posters. If you can't remember what happened in your book, you will not be able to complete it.

Email Miss Mancini if you have any questions.
