## Google Classroom notification to Green Team (photos follow this cover sheet)

The screenshot shows a Google Classroom interface for the "Green Team Sustainability Committee / Club". The notification is from Sue Evans, dated March 28 (edited March 28). The event is titled "Spring Clean Up" and is scheduled for Wednesday, March 29th from 10:25-11:00. The text of the notification reads: "We are looking for volunteers to assist with a spring cleanup on Wednesday, March 29th from 10:25-11:00. Please bring gloves and we will provide the trash bags. Please respond and let us know if you can attend. We will meet promptly at 10:25 by the cul-de-sac doors. If you have any questions, please send me an email. See you then!". Below the notification, there are two comments. The first comment is from Sue Evans, dated March 28, saying "Great! See you tomorrow! Let other team members know!". The second comment is from Dr. Cooper, dated March 21, saying "I'd love to help, but I teach a class during that time!". The interface also shows a search bar, navigation tabs for Stream, Classwork, People, and Grades, and a taskbar at the bottom with various application icons and system information.

# Screen Shots of Anti-Idling Presentations prepared by students

# Screen Shot of Google Classroom presented to students regarding climate change and anti-idling

The screenshot shows a Google Classroom interface for a class titled "CLIMATE CHANGE CHALLENGE SUSTAINABLE JERSEY FOR SCHOOLS". The page is viewed from a student's perspective. At the top, there is a navigation bar with tabs for "Stream", "Classwork", "People", and "Grades". The main content area features a large banner image of trees with the text "CLIMATE CHANGE CHALLENGE SUSTAINABLE JERSEY FOR SCHOOLS" and a "Customize" button. Below the banner, there are several interactive elements: a "Meet" section with a "Generate link" button; a "Class code" section displaying "yi2ay7t"; an "Upcoming" section showing "No work due soon" with a "View all" link; and a central announcement box from "Dr. Cooper" dated "Yesterday". The announcement text reads: "Thank you for coming to the meeting at lunch today. Here is a link with previous winners summarized and an article about the problems with car exhaust." Below the text are two preview cards: "Previous Finalists - Sustain..." with a URL "https://www.sustainablejerseysci" and "BACKGROUND INFORMAT..." with the word "Word". At the bottom of the announcement box is a comment input field with the placeholder "Add class comment...". The browser's address bar shows the URL "classroom.google.com/c/NjAwNzY2NjUxMTk4". The Windows taskbar at the bottom indicates the time is 10:44 AM on 3/29/2023.

# Educational Information presented to Wellness Committee and Green Team members:

The screenshot shows a Google Classroom stream for the "Green Team Sustainability Committee / Club". The stream contains three posts:

- Post 1:** From Dr. Cooper (Mar 21), stating "I'd love to help, but I teach a class during that time!".
- Post 2:** From J Giordano (Mar 15), explaining that Mrs. Ragoza, Dr. Cooper & Mr. Mac are working on anti-idling efforts. It mentions a grant for emissions analysis and a link to the SustainableEHC website: <http://www.sustainableehc.org/a>.
- Post 3:** From J Giordano (Mar 13), mentioning a "Stream Cleanup Registrati..." with a link to <https://www.raritanheadwaters.org>.

A "Help us improve this product" dialog box is visible on the right side of the screen.

The screenshot shows the SustainableEHC website. The header includes navigation links: Home, About, Information, Trees, News, Videos, Anti-Idling, Home Energy, Recycling, Tips, Green Business, Events, Trails, Contact, Fall 2022 Tree Planting, Bag Ban, Creative Team, and Maple Tapping.

The main content area features the heading "Take the pledge" and a list of bullet points:

- SustainableEHC is asking everyone to take the [anti-idling pledge](#).
- Signs have been installed in commercial areas and at city schools asking motorists to turn off their engines.
- City Council passed a [resolution](#) supporting state anti-idling laws.
- Police will be conducting an educational campaign and issuing [mock tickets](#) to motorists caught idling in anti-idling zones.

A green "Brochure" button is located below the list.

The bottom section of the page features a graphic titled "TOP 10 THINGS I CAN DO TO REDUCE AIR POLLUTION FROM CARS". The first three items are:

- 1. DON'T IDLE MORE THAN 10 SECONDS**  
Idling for more than 10 seconds uses more fuel than turning the car off and back on (and idling past 3 minutes is against the law).
- 2. OBEY THE SPEED LIMIT**  
Don't ride in the car with a speeder—not only is it safer for you, staying within the posted speed limits increases your car's fuel efficiency.
- 3. WALK TO DESTINATIONS CLOSE BY**  
Not only will you get more exercise, you will eliminate a lot of pollution from the air.

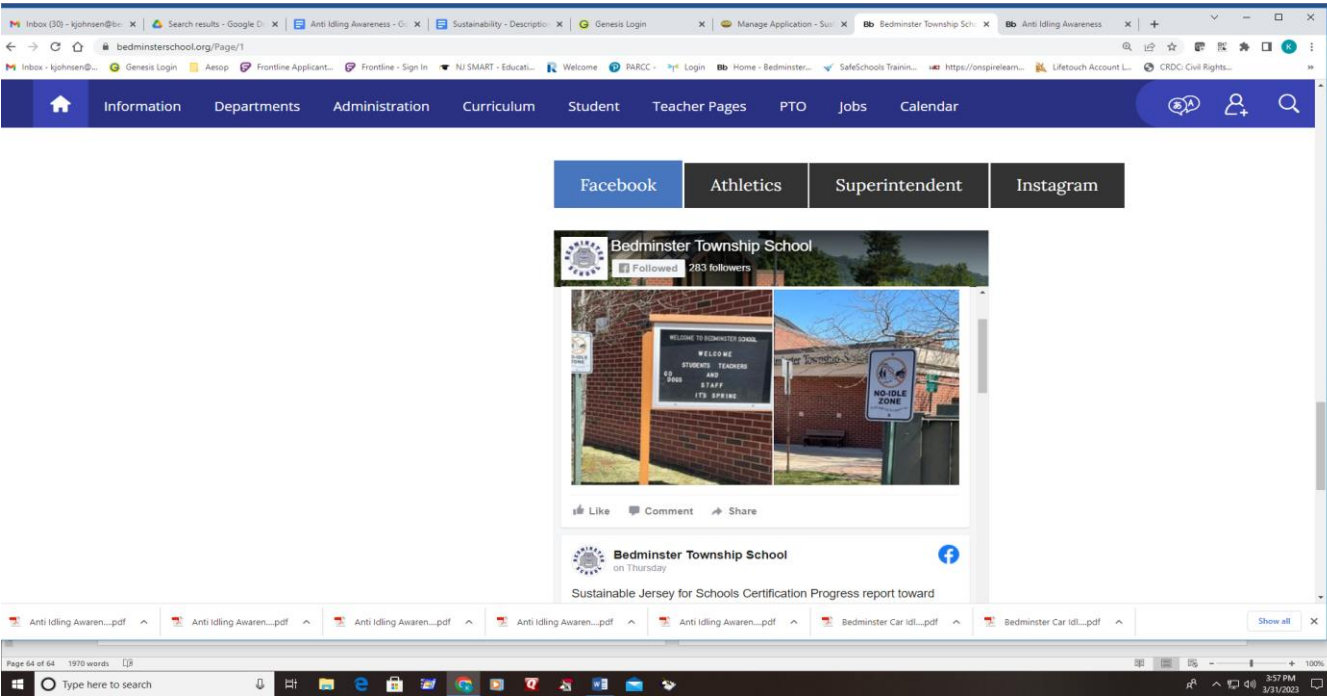

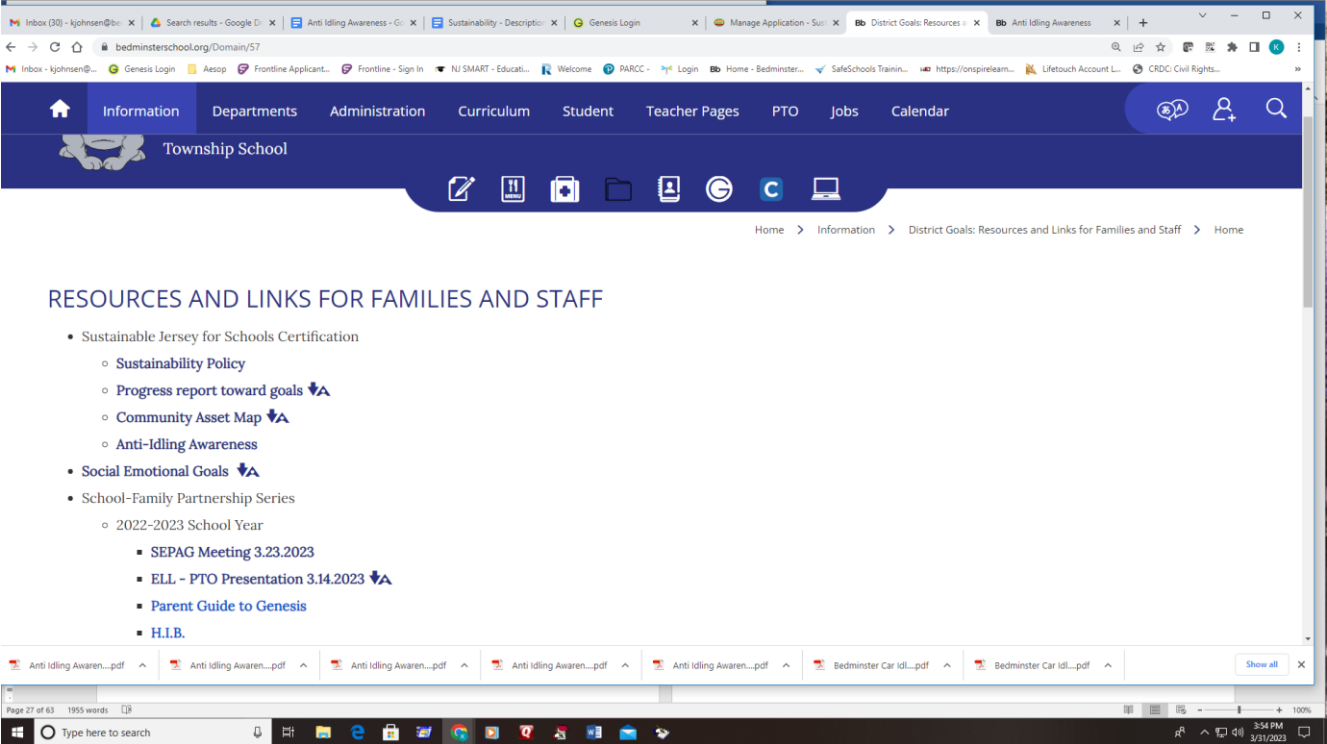

The fourth item is partially visible: **4. CARPOOL**.

# Tweet on Social Media from Superintendent regarding Climate Change Challenge

The screenshot shows a Twitter interface on a Windows desktop. The browser's address bar displays the URL: <https://twitter.com/jgiordanobts/status/1629257376707518465?cxt=HHwWgoCxpfa8pjwAAAA>. The tweet is from Jennifer Giordano, Ed.D. (@jgiordanobts) and is addressed to @MacScienceBT !!. The tweet content includes a link to a tweet from Sustainable Jersey for Schools (@SJ\_Schools) dated Feb 24, which reads: "Attention NJ middle and HS teachers. Have your students done a project that relates to climate change? Register your class or club for the #NJStudentClimateChallenge. Each team creates a video about the project and submits by 4/21/23. Learn more: bit.ly/NJStudentClima...". Below the text is a graphic titled "#NJStudentClimateChallenge How It Works" with four columns of information: 1. Teachers register their class or club (Students participate under their teacher's mentorship); 2. Complete a Climate Change Project (Teams of 2 to 12 students complete a school or community project that addresses a cause or impact of climate change); 3. Awards Ceremony (1st, 2nd, and 3rd place middle and high school winners are recognized at an Awards Ceremony hosted by First Lady Tammy Murphy); 4. Grants (School winners receive grants to advance their climate education initiatives ranging from \$2,500 to \$500). The right sidebar features a "New to Twitter?" section with "Sign up with Google" and "Sign up with Apple" buttons, and a "Relevant people" section listing Jennifer Giordano, Ed.D. and Sustainable Jersey for Schools. A blue banner at the bottom of the tweet area says "Don't miss what's happening" and "People on Twitter are the first to know." with "Log in" and "Sign up" buttons. The Windows taskbar at the bottom shows the search bar and several open applications, including image files and PDFs. The system tray shows the time as 1:41 PM on 3/29/2023.

Green & Wellness Team Members:

Hi, **we need your help** with our food waste and recycling behaviors and efforts in the cafeteria. Please let me know if you can be a part of our team that conducts the food waste audit this spring. We will pick one day when we interview students on their food habits, what they don't eat, and why. You would need to be available one day during periods 6-7-8. As Team members, we really need you to step up and help in making changes for the better! This will also help the school district in our Bronze to Silver certification. That is a big deal and we can only do it with your ongoing support.

Video School Food Waste Audit: Food Waste Audit at a School

See the attached document about food audits in schools: Student Food Audit at School

The following Green & Wellness Team members are already committed to helping on this task: Carter, Massimo, Fisher, Sofia M., Annabelle, Reed

Please let me know if you can help. Mrs. Ragoza and I will be organizing this with the Green and Wellness reps. Thank you for your help!

### **Staff Training Information**

- The staff training for classroom cleanup was an electronically reviewable document highlighting the protocols in place at Bedminster Township School
- Staff was provided time during after school assigned PLC time to review the presentation and sign off on the google form
- In addition, the training provided staff with an understanding of the green products used by our custodial staff to clean the classrooms and common areas.
- The training provided delineation of responsibilities between classroom staff, students and district personnel to maintain and ensure a clean, healthy and safe environment for students, staff and community stakeholders.
- Additional training had been provided throughout the year
