

BEDMINSTER TOWNSHIP SCHOOL
Criteria for Mathematics Placement

Students Entering Grade 5

	<u>4 POINTS</u>	<u>3 POINTS</u>	<u>2 POINTS</u>	<u>1 POINT</u>	<u>0 POINTS</u>
RL Reading PR	95-100	88-94	80-87	70-79	0-69
RL Math PR	95-100	88-94	80-87	70-79	0-69
Course Average	95-100	88-94	80-87	70-79	0-69
End of Book Test	95-100	88-94	80-87	70-79	0-69

Points for placement

Course I = 14 points or higher

Grade Level Math = 13 points or below

BEDMINSTER TOWNSHIP SCHOOL
Criteria for Mathematics Placement

Students Entering Grade 6

	<u>4 POINTS</u>	<u>3 POINTS</u>	<u>2 POINTS</u>	<u>1 POINT</u>	<u>0 POINTS</u>
RL Reading PR	95-100	88-94	80-87	70-79	0-69
RL Math PR	95-100	88-94	80-87	70-79	0-69
Course Average	95-100	88-94	80-87	70-79	0-69
Cumulative Final Exam	95-100	88-94	80-87	70-79	0-69
CogAT*	95-100	90-94	85-89	84-80	0-79

* This percentile is based on the quantitative reasoning section of the CogAT test.

Points for placement

Course II = 17 points or higher

Course I = 16 points or below

- A. Grade 4 students will have the following options based on placement criteria.
 - Math in Focus – Grade 5 level
 - Holt Course 1 – Grade 6 level

- B. Grade 5 students who have completed Math in Focus will have the following options based on placement criteria.
 - Holt Course 1
 - Holt Course 2

- C. Grade 5 students who have completed Holt Course 1 will have the following option based on placement criteria.
 - Holt Course 2

- D. Grade 6 students who have completed Holt Course 1 will have the following option based on placement criteria.
 - Holt Course 2

- E. Grade 6 students who have completed Holt Course 2 will have the following option based on placement criteria.
 - Pre-Algebra

A course level of curriculum can only be skipped after Grade 4 or Grade 5.

Students who would like to move into a different level may take an Exit Test. This test needs to be completed by the end of the third week of the new school year.

Since there is a great deal of testing in the math department, we recommend students take only Math Finals, not mid-terms and finals. With the exception of Algebra. That procedure should follow the high school.
