Re: Participation in the 2020 New Jersey Student Mock Election

Dear Chief School Administrator:

Kindly accept this correspondence as an invitation for New Jersey students, teachers and parents to participate in the 2020 New Jersey Student Mock Election. This mock election serves to educate about the duties of citizenship and the importance of exercising the right to vote.

The 2020 New Jersey Student Mock Election will take place on Saturday, February 1, 2020 through Saturday, February 15, 2020. Candidates for President of the United States as well as key national topics and social issues are included on the mock ballot.

Should you not be able to coordinate the voting in your school, please ask another teacher or administrator to encourage participation. Additionally, teacher portal instructions, registration, resources and further information are available at: <https://njmockelection.org/>. Lastly, fall mock election registration information will be forthcoming through the same website.

Sincerely,

Tahesha Way  
Secretary of State
