

"Attention Kindergarten and first grade families interested in joining Girl Scouts. We are looking to start a new Girl Scouts troop based out of Bedminster School. We will be holding a recruitment meeting for girls and their parents/guardians on Friday November 1st at 6pm at Bedminster School. The girls will be doing an activity with older Girl Scouts while the adults learn about what is involved with starting a new troop. Please email Girl.Scouts.su76@gmail.com to RSVP."

Thank you,
