

Recycle Your Plastic Bags Today!

Have you ever wanted to recycle your plastic bags, but didn't know where to? Well now you do! BTS has a bin that you can recycle your plastic bags in! The Sustainability Committee will recycle these bags for you. It is located on the second floor, right next to the gymnasium. You can put your plastic bags in this bin throughout the rest of the 2020-2021 school year!

Did you know that Americans use 100 billion plastic bags a year, which require 12 million barrels of oil to manufacture?!? What a waste! Let's make a positive difference BTS :)
