

DIGITAL PHOTOGRAPHY WORKSHOP 3: BOOT CAMP

NJ Audubon: Digital Photography Workshop 3 – Boot Camp

Led by Phil Witt, David DesRochers, and Jack Moskowitz, NJ Audubon Associate Naturalists

Workshop 3 will be a photo boot camp where participants will apply what they learned in Workshops 1 and 2. This will be a hands-on session with cameras, and participants will practice changing camera settings, and compensation for varying light conditions. We will practice composition using flower set-ups, considering the effect of light quality and direction, distance to subject, focal length, and f/stop. Time permitting, we will project and critique participants' session images.
