

Fall Classes for Adults, Children and Teens

The Center's unique curriculum of children's art classes allows young artists to enroll in in-depth classes designed to deepen and develop skills in a single medium. Classes include Drawing In Depth, Painting In Depth, Mixed Media, Pottery Wheel Throwing & Hand Building, Glow in the Dark Art, and Cartooning/Manga/Anime.

Classes for children with Autism Spectrum Disorder and other special needs are offered Monday afternoons beginning September 20, and provide guided experiences that foster communication, creativity, and problem solving with hands-on activities.

Adult classes are offered in-person and virtual for artists with all levels of expertise in a variety of media including oil and acrylic paint, pastel, watercolor, drawing, and ceramics.
