This Summer's Reading Program: **Imagine Your Story** will be 6/20 - 8/22 and it will be virtual via <http://dillonlibrary.readsquared.com>

We will offer incentives to encourage children from ages 5-18 years of age, to read and complete fun, educational activities. Children and Teens will be able to log their reading, earn digital badges, and be able to win prizes and certificates through READsquared. Registered children and families will also have access to appropriate reading lists, play on-line games, and complete virtual escape rooms and challenges.

All participants will be able to stop by the library and pick up their rewards or complete paper reading logs, if they choose. We will have two Summer Reading Programs: Children (age 5-12) and Teens (13-18).
